

# JOFFREY BALLET SCHOOL

FOUNDED BY ROBERT JOFFREY IN 1953

## **Joffrey West LA After-School Activities and Shows**

We have arranged for weekend activities to enhance the students experience in Los Angeles. All activities are chaperoned by Joffrey Staff to and from the event and the dormitories. If you are a commuter student you will be informed where to meet the group.

- Tickets are limited and always sell out so please sign up for them as soon as you can.
- After you have signed up there is nothing else you need to do! The various student groups are escorted by chaperones to the event where tickets will be distributed.
- If you are a COMMUTER student (not resident in hall of residence), and you would like to participate, please email [joffreywest@joffreyballetschool.com](mailto:joffreywest@joffreyballetschool.com) and be sure to let her know you are a commuter student!
- For all activities dancers will need approximately \$25 additional (per activity) to cover the cost of Ubers. Dancers will go in groups accompanied by staff. Dancers older than 14 years are permitted to go in Ubers in a group without staff, and will rendezvous with staff and younger dancers at the activity.

PLEASE bring CASH ONLY as staff do not have the facility to charge cards or deposit checks.
